If there's one thing you become a connoisseur of in the fire department, it's ice cream. If a ton of firemen tell you to buy a brand, you try it.

So I tried Roselani Kona Mud Pie Ice Cream today, and man was that flavor freakin' good. Now I can't claim to know how the rest of their line tastes, but the Kona Mud Pie is amazing.

This is how good it is....

Imagine yourself on a hot 87 deg Honolulu day with 90 percent humidity. Now imagine that you just drank a HOT triple tall non fat mocha and are revving out or your gourd. Now imagine that you just unloaded and loaded a thousand feet of 2.5 inch fire hose from your firetruck for no apparent reason. Now imagine you are as happy as a pig in slop even after all of this. You know why you are this happy? You just had a towering bowl of Kona Mud Pie ice cream from Roselani.

So why the four star rating you ask? Because reason tells you it's time to run 5 miles to get rid of the butter fat. Damn reason, that cold cynical reason...argggg.
